Real people. Real Questions.

Who should invest?

Individuals who:

- Are retiring from a Retirement Annuity, Pension Fund, Provident Fund or Preservation Fund;
- Want to transfer their existing living annuity to a product that offers both market investment options and a lifetime income portfolio
- Want to decide how the underlying assets in their annuity are managed;
- Want to secure a portion of their income requirements for life;
- Want to choose the rate at which they draw income from their investment.
- Want the assurance of a guaranteed lifetime income while having the flexibility to manage their investments.

What investments make up a Sygnia ForLife Living Annuity?

An allocation that can include one or both of:

1. Any market investments, such as unit trusts, exchange traded funds (ETFs), exchange traded notes (ETNs), or unitised life funds, available on the Sygnia Alchemy Investment Platform.
2. The Sygnia Lifetime Income Portfolio (underwritten by Just Retirement Life South Africa Ltd, Registration Number 2014/099601/06) which provides you with a lifetime income.

Are there contribution limits?

Minimum contribution:

- Initial lump sum of R200 000
- Minimum allocation of R50 000 to the Sygnia Lifetime Income Portfolio

Sygnia Life's offshore capacity has been decreased to 40%, effective immediately. Provided you remain within the 40% limit, you can now make changes to your current investments in your Sygnia ForLife Annuity. You can maintain the higher level if your offshore exposure is already greater than 40%, but you will not be able to further increase it. Please contact our Client Service Centre or your dedicated business development executive for more information about switches or new investments within this product.
